Make-A-Wish Foundation: A Child of Faith: Tia'Ahlee's Story

May 16th, 2023 (Austin, TX): *A Child of Faith: Tia'Ahlee's Story* by Tia'Ahlee Maxie publishes today with Greenleaf Book Group. Tia'Ahlee's dream has always been to write a book to share her message with others who may be struggling with their health or suffering from abuse or bullying. With the help of Greenleaf Book Group and Make-A-Wish Texas Gulf Coast and Louisiana, Tia's dream came true.

Tia'Ahlee Maxie is sixteen years old and has a heart condition that has challenged her since birth. She has undergone lifesaving medical treatments, including four major open-heart surgeries. In addition to fighting for her life each day, Tia is a survivor of physical, sexual, and emotional abuse. She has also been bullied and threatened most of her life because she is different. But with the help of her unwavering faith and her loving family, she doesn't let any of this hold her back. Her words of hope and profound wisdom will inspire you and touch your heart. As this extraordinary and resilient young woman reminds us, you can be your own superhero by helping good people, being strong, and loving who you are.
