Greenleaf Book Group Launches Kiplinger Books

July 8th, 2025 (Austin, TX): Greenleaf Book Group and Kiplinger Finance are proud to announce the launch of Kiplinger Books.

Kiplinger Books is a full-service hybrid book publishing imprint specializing in expert-driven books on personal finance and all aspects of wealth management. We work with financial professionals, economists, and trusted advisors who aim to expand their reach and solidify their authority as personal finance thought leaders.

Kiplinger Books has already signed its first author, Patrick Payne, a financial consultant and expert in personal financial planning. His forthcoming book will break down complex financial concepts into clear, actionable advice designed to empower everyday readers. With a deep background in both academia and real-world consulting, Dr. Payne brings trusted insight to the inaugural title in the Kiplinger Books catalog.
