## **Greenleaf Book Group is Named One of the 5000 Fastest-Growing Companies by Inc. magazine**

August 24, 2011, Austin TX – In the newly released 2011 Inc. 5000 list of America's fastest-growing companies, Greenleaf Book Group ranked 3,064<sup>th</sup> overall, 44<sup>th</sup> among media companies and 64<sup>th</sup> among companies located in Austin, TX. Greenleaf has been recognized on the Inc. 5000 lists for the past six years and in 2006 it received the distinction of being an Inc. 500 company, ranking as the 224<sup>th</sup> fastest-growing company with a three-year sales growth rate of 562%.

Inc. Magazine ranks privately held, U.S.-based companies by measuring their percentage revenue growth from 2007 through 2010. By highlighting the fastest-growing companies in the private sector, Inc. is recognizing the firms responsible for much of the job and revenue growth that positively affects the market today. "We're extremely excited to mark our sixth consecutive year on the Inc. list, especially in an industry that has undergone so many changes. It's a testament to the strength of our team, our authors and our business model," said CEO Clint Greenleaf.
